

Affiliation of AMA & Wings India.

10th January 2011

It is proposed that 'Aero Modelers Association' of Delhi, and 'Wings India' from Mumbai enter into an Affiliation with the following objectives:

01. To promote camaraderie between the members of the two clubs.
02. To exchange information on RC hobby activities as being carried out by both the clubs.
03. To share experiences, successes, failures and safety issues concerning the RC sport.
04. To co-operate to resolve genuine grievances and difficulties being faced by fellow members.
05. To help evolve a code healthy set of rules and practices for betterment of the Hobby.
06. To jointly represent to any administrative authorities, in support of the Hobby.
07. To assist and support the development of the Hobby through joint training programs.
08. To permit sharing of air fields under use by either of the clubs at mutually agreeable terms.
09. To extend benefits of convenience to members of the partner club as may be agreed.
10. To Strive to build a cognizance and respect in the international fraternity of RC modelers.

In pursuance of the above it is mutually decided that the following benefits be extended to the members of the respective clubs:

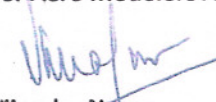

- A. Members would be entitled to the use of the flying fields under the supervision of either of the clubs at an additional fee as may be levied/ applicable as the case may be. They would be obliged to follow all the rules existing, for the said site, as may be required by local authorities or the discipline of the managing club. They would have to be accompanied by a member of the Local governing club. This facility would be limited to not more than 6 days in a given month.
- B. That either club, in case of organizing any events will make available, to the other, all such facilities and monetary concessions which, it might procedurally provide, to its own members.

All visiting members would be required to provide proof of valid membership to be able to avail of any facilities under the jurisdiction of the host club.
